

## CALL FOR PAPERS

### **XIV. Workshop of the Hungarian Society of Economics at the University of Pécs**

May 8-9, 2026.

The Hungarian Society of Economics (HSE) and the University of Pécs Faculty of Business and Economics (UP-FBE) organize the XIV. Ph.D. Workshop at the University of Pécs, with the aim of providing an opportunity for students of Hungarian doctoral schools in Economics to present their research.

Experienced researchers will discuss the presented papers, providing suggestions for further improvements and guiding the research towards a high-quality dissertation.

Important dates:

**Submission deadline: March 31, 2026.** Papers should be submitted by e-mail to [phdmuhely@mktudegy.hu](mailto:phdmuhely@mktudegy.hu). Please indicate the name of the doctoral school and the supervisor in your submission! Please also indicate if you wish to present in English or Hungarian.

Acceptance notification: April 7.

Conference date: May 8 and 9, 2026.

We do not exclusively expect completed studies; we also accept draft studies that already contain research results. The topic is not restricted to the narrowly defined field of economics, but studies from other areas of business and economics are also expected to demonstrate theoretical and methodological rigor (e.g. model-based analysis, empirical research, methods suited to the topic and research objectives).

The organizers provide accommodation, a dinner, and refreshments during the conference for accepted presenters free of charge.

Organizing committee:

Bíró Anikó (President of the HSE), Bárdits Anna, Gyimesi András, Pető Rita, Váry Miklós
